

By Cindy Clark – Thanks to all that participated! We continue to build on great shuffleboard camaraderie among the three great states of California, Nevada and Arizona.

Three events and eight great playing boards made this another successful Bill Gibbs' Tournament played again this year at Six Shooter's Bar in Phoenix, AZ. The weekend of April 29. The boards were donated by Lewis Shuffleboard and made this a very competitive tournament with events for all levels of players.

The first event was an AB Draw with 52 players competing for six places. An ABC Draw Team event started and finished on Saturday. The Calcutta and prize money totaled over \$3,100 and paid out to four places. The final event was an Open Doubles with 12 competitive teams competing for just under \$3,000. Three places were paid to a listing of teams that will definitely promote the rivalry between our states. The first place trophy belongs to the all Arizona team who played a very competitive final against the all California team of second place trophy winners. Third place was won by the defending champion all Nevada team. An "honorable mention" goes to the "all female" team of Jane Mourgos (N. CA) and Cindy Clark (AZ) taking fourth place.
