

**20th Annual NASC™ - Airfare Alert - Philadelphia \$258****Huge Savings on Delta**

Judging by all of the phone calls I received yesterday, quite a few of you jumped on the low fares from Delta. Jim Dennis emailed me to report an awesome fare of \$258 on American. Delta is now matching that price. Not to sound like a broken record, but these kind of deals tend to only last a couple of days. I encourage you to book your flights now if you have not already done so.

A huge break in airfares has just become available on Delta Airlines. This is available in from almost all of the areas in the East, Midwest and South where NASC™ participants travel from, with the biggest savings available from the Midwest. Sample fares are \$241 from Detroit (the lowest fare in at least 5 years), \$240 from Austin, \$240 from Kansas City, \$241 from Indianapolis, \$236 from Omaha, \$260 from Denver and \$284 from Little Rock. All of these fares are down \$100 to \$200 from just a couple of days ago. Big changes like these generally last 48 hours or less, so now it the time to book your flights. If you would like some help in finding the best airfare or room & airfare package, please give me a call at 800-380-3033.

Here is the next "Picture Of The Day", a collection of memorable photos from the NASC™. I hope you enjoy them and would appreciate your help in putting together a pictorial history of the NASC™ Tournament by sending copies of any pictures you may have taken at the Tournament over the years.
