## California Inducts Goldsmith to Hall of Fame

*Bobby Goldsmith became the third person inducted into the California Shuffleboard Hall of Fame.*

The induction of Bobby Goldsmith to the California Shuffleboard Hall of Fame was held at Mr. G's in Visalia on May 23 in conjunction with that establishment's annual Memorial weekend tournament. Hosts Steve and Patsy Floyd had fenced off a patio area with awnings behind the bar, and the shade trees were welcomed in the warm afternoon. Bobby was surrounded by family members and friends, as well as the two previously-inducted Hall of Fame members, Al Stewart (with Von at his side) and Bellflower Bruce Hale, as the ceremony opened.

One after another, speakers told of how Bobby Goldsmith had gotten shuffleboard back into play in the 1960s with the tournaments he promoted. They told of some great matches that were played at The Hut and Mr. G's and the list of players who got into the action there read like a "Who's Who of West Coast Shuffleboard." Troy Tolbert, AZ Turnbo, and Glen Davidson gave tributes to Bobby, who sat smiling and

and laughing as these friends told of "the old days." It was said that if a player came to town, Bobby Goldsmith would be able to put together a match.

Bobby's sister, Robbie Gann, paid her respects to her older brother, saying: "Bobby taught me how to swim, and I swim as well as he. Bobby taught me how to drive, and I think I drive as well as him. Then, Bobby taught me how to play shuffleboard -- and I'm still trying to win my first game from him!"

Next up on the podium was Joe Scott, Bobby's nephew, who sang a song he composed about "Bobby G." By the end of the song, the entire crowd was tapping toes and singing along.

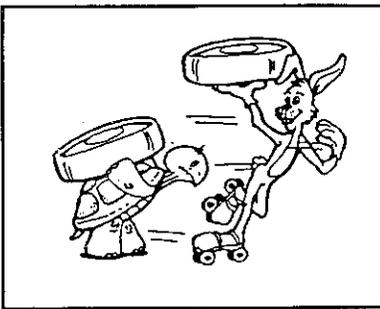

When Bobby accepted his plaque and congratulations from California Hall of Fame President Jolene Lembke, he shook his head and said: "My own nephew has upstaged me on my big day. I don't know what I'm going to say now. I was going to tell about getting the tournaments going in the '60s, but Troy told about that. And I was going to tell about the great games played, but AZ and Glen told about them. So, all I can say is that, next to my marriage and the birth of my children, this is about the best thing that ever happened to me!"

### Bobby's Background

Through the years, Bobby has been involved in a wide variety of interests. He played semi-pro baseball, raised a few horses, raised a whole lot of pigs, did a few rodeo shows as a calf roper, fought a whole lot of roosters, and collected old Cadillacs, clocks and antique guns. In 1964, he bought a bar, The Hut, which had a 17-foot shuffleboard. When his customers went down the road to play on a regulation size board, Bobby quickly learned that his was not regulation size. Out went a wall, he extended the building, and in went a regulation shuffleboard. Thus began the long story of the game of shuffleboard for Bobby Goldsmith.

It was a common occurrence for Bobby to set up sessions at the old Hut and later at Mr. G's. Many shuffleboard greats graced the doors there, where

News and Views from The World of Shuffleboard

## New Vegas Member Hails from Lansing, Michigan

I am a transplant from Lansing, Michigan. I lived there my entire life before moving out here in 1983.

I have noticed that shuffleboard isn't as popular here as it is in Michigan. However, I'm trying to make it more popular. I recently bought this bar and renamed it Sports Page and bought an old -- very old -- shuffleboard and had it restored and put in Sports Page. I'm advertising in the area trying to let people know. You can always tell when people come in and admire the board; they're always from the Midwest.

It was refreshing to read the articles in The Board Talk and get a little Michigan news. I was a bartender in Lansing and played several of the boards there and in the surrounding areas. The old "Hole in the Wall" in Holt was a popular spot back then. I also worked at Sammy's, Gino's, and the original Pour House. I used to go to Joe's Gizzard City in Potterville also.

If you know anyone from Lansing coming to Vegas, please tell them to stop by and see the board, enjoy the bar and have a drink on me.

Las Vegas, Nevada

*We welcome the Sports Page Pub to our national shuffleboard network and encourage readers to stop in for "Hot Slots -- Cold Drinks -- Good Food" and a game or more on Sharon's restored board. The Sports Page is located at 4821 Spring Mountain Road at Decatur. Who knows? You might just run into the famous Balboa Ron, author of the monthly "Frisco Eddie" series. Add Sports Page to the "Play Your Way Across the U.S.A." listing that was in last month's issue.*

## Jean Makes Comeback; Woodie Gives Thanks

Another update on my wife, Jean. She is doing real well. They moved her to a rehab and have done wonders for her. For someone who had little chance to live, she has come just about all the way back. She is laughing and talking. At present, it does not look like she will have any after-effects.

People from everywhere have called and sent cards. You know, had it not been for The Board Talk, that could have never happened. Before 1984, we only knew about the shuffleboard players in our own neighborhood. You two have done so much through The Board Talk for people even outside of shuffleboard. Jean can not play a lick of shuffleboard, yet she had hundreds of friends praying and calling and sending get-well cards.

Woodie Cockrum, 4108 Valleywood Ct., Columbia, MO 65202-4217

*Don't give us too much credit, Woodie. We are only as good as people we serve, and we're proud (as usual) that they responded to Jean's need for support. Since Woodie's letter was written, she had a slight set-back, so she still needs to know we all care. Send your messages to Jean at the above address.*

# The Players Have Spoken! And We Are Listening.

We promote the North American Shuffleboard Championships™ as the ultimate players tournament - a partnership between The Shuffleboard Federation and our customers - the players and spectators who attend. Many of the things that our participants like best about the tournament are a direct result of their own input.

As a result of player feedback regarding the changes in format we had made for the 1998 North American Shuffleboard Championships™, several significant revisions have taken place. An updated flyer is in this issue of The Board Talk.

In order to minimize any confusion that may result from the revisions, all the rest of the flyers for the 1998 N.A.S.C. will be printed on red paper, with a date of 06/15/98, or later, in the bottom right corner of each page.

The changes include the addition of Division III Singles and Doubles events, and changes in eligibility for Division I and Division II. Players rated 0.00 to 1.49 will play in Division I, and players rated 1.50 to 2.49 will play in Division II.

Thank you to those players who took the time to contact us and voice their opinions. We shall continue to strive to make the N.A.S.C. the premier shuffleboard tournament in the world, and to improve it every year, by incorporating the ideas and desires of our participants.

If you have questions about the N.A.S.C., please contact us at 800-380-3033. Thank you in advance for your support. We look forward to seeing you in Reno.

they always knew there would be action. Just to name a few: Bob Miles, Glen Davidson, Rod Cameron, Glen Young, Troy Tolbert, Leroy Ledford, Hal Perry, Big Norm, Cable Car Dennis, Billy Mays, Portland Eddie, PeeWee Ramos, AZ Turnbo, Billy Chiles....the list goes on and on.

Bobby's family is, and has been for many years, involved in shuffleboard. His dad, "Curly," was the horse collar player. His mom did a lot of cooking for the players when they came to town. His sister Robbie plays the game like a real trooper. Son Warren and son-in-law Russ play. His wife Charlene and daughter Leslie also play, but they like it best in the rooting section.

Called the "glue" that held California players together, Bobby received written tributes from many shuffleboard notables, including Hal Perry, a member of the National Shuffleboard Hall of Fame Board of Directors: "California shuffleboard and Bobby Goldsmith are synonymous. He could not only play the game, but he also promoted it. He is one of the great men of the game. His induction was inevitable."

In addition to his contributions to shuffleboard, Bobby has been recognized as a generous community leader, opening his heart and his wallet to underprivileged children, sponsoring athletic events and teams, and many other good deeds.

### **Bobby Can Use Your Prayers**

A serious heart problem has curtailed Bobby's active shuffleboard playing, but nothing has lessened his love for shuffleboard. His heart will always be with the game and the many friends and associates that he has become so close to through all his years in shuffleboard. On June 8, he had experimental heart surgery.

"I called his wife to see how he was coming along and Bobby answered the phone," reports Steve Floyd. "I asked him what he was doing at home. He informed me that he lived there! He said: 'You can't keep a squirrel down in Timber Country.' He was in very good spirits.

"He will not know for four to six weeks if the surgery was a success," said Steve, "so all you good folks in shuffleboard land -- let us say a prayer for Bobby that his surgery will be a success."

*(Editor's Note: Thanks to Chris Brown, Steve and Patsy Floyd, for contributing to this report. For more information on this event, see News from the Dixie Belle and On the Road Again with Glen in the Notebook section. For those who would like to send Bobby congratulatory notes and good wishes for the success of his surgery, his address is: 820 N. Farmersville Blvd., Farmersville, CA 93223.*

## Mr. G's 2nd Memorial Tourney is Another Success

There was more going on at Mr. G's in Visalia, California, over the Memorial weekend than the induction of Bobby Goldsmith. It was also Patsy and Steve Floyd's 2nd Annual Memorial Tournament and it was a big success, with 22 teams in the ABC draw and 15 teams in the doubles.

*Host Steve Floyd (right) presents the first place ABC draw envelope to winning team -- Bob Brunskill, Siobhan Posthumus, and Bob Lindahl.*

*Second place honors went to the all women's team (the "Three Witches of Eastwick"?): Linda Rollins, Chris Brown and Anna Brunskill.*

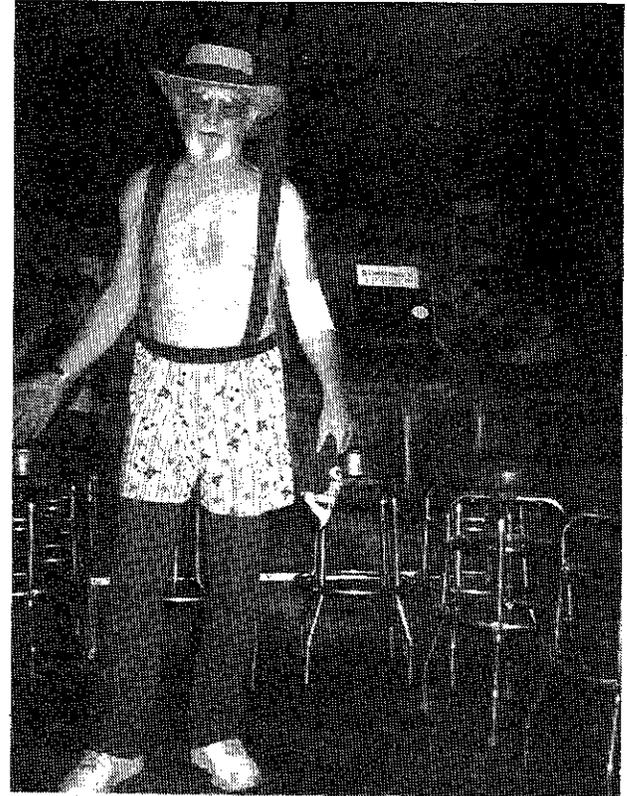

Third place went to Dave Brennan, Jeff Posthumus and Jim Coulter.

"With 22 teams, you would think there would be a few matches that would be easy," said Chris Brown, whose team played nine matches before settling for second place. "Not with the players that were gathered here. There was no such thing as an 'easy win.' It must have been hard to tell the first and second place teams apart, because there were no disappointed faces anywhere. Six people were beaming smiles, and all of us were well-pleased with the outcome. It surely was the longest, and best, tournament of my 3-1/2 year career on the boards."

with the brackets and the many guys who kept the boards ready to play."

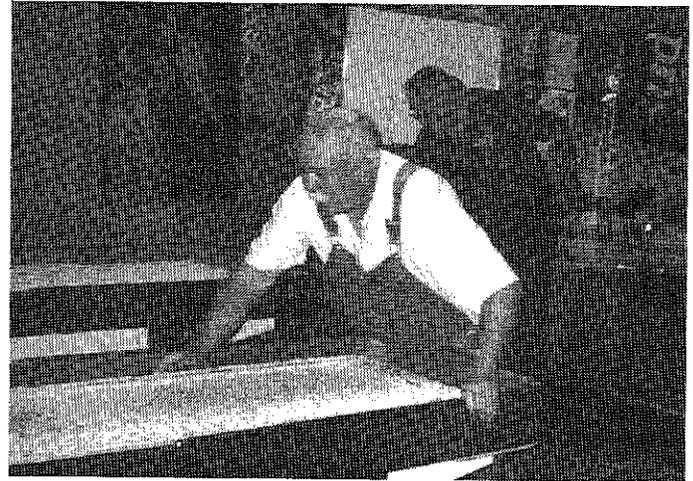

Glen Davidson (left) travelled from Oklahoma for the induction of Bobby Goldsmith, and to team up with Larry Bailey of Visalia to take first place in the doubles.

AZ Turnbo sets a new dress code for shuffleboard!

Tony Soza of Visalia (left) and AZ Turnbo of Northern California took second place honors.

Hall of Famer Bobby Goldsmith still has that competitive spirit on the boards. He remembers the time he played the legendary Billy Mays for 26 hours straight -- and won!

John McGinnis (left) of Southern California teamed up with Larry Newell of Visalia to take third place in the doubles.

Total prize money for both events was \$10,500.

"A special thanks to everyone who participated in the tournament," said Steve and Patsy. "All the players and people who helped -- AZ Turnbo for supplying two boards, Paul Weber for taking care of the players' brackets and the sales, our bartenders Janet, Karen, Tammy, Kim and Mike. Thanks also to Angela for the shirt sales, Janet and George for the deep pit, and Charlene Goldsmith, Robbie Gann and all the Goldsmith Family for their help in the food department. ## **Notebook** *(continued from Page 2)*

tournament. The field behind Mr. G's began to look like a trailer park as shuffleboarders from all over the state flooded in. We even had our own handyman out there as Doug Pancerev spent time between matches doing some minor repair work for a few of the campers.

The weekend at Mr. G's got off to a great start with an ABC event consisting of 22 teams. Our own Paul Weber helped out Steve Floyd by drawing up teams and handling the sale. When Bellflower Bruce is on hand for an auction, you can always count on some spirited bidding and this was no exception. By the time the last team was sold, there was over \$10,000 in prize monies for the event. Two rounds were played Friday night, and play began Saturday morning at 9 a.m. As the day wore on, teams were being eliminated through some very competitive play. But no one left the building.

Everyone was waiting for the ceremony at 3 p.m. Bobby Goldsmith (Mr. G himself) was to be inducted into the California Hall of Fame. At the chosen time, we all settled ourselves in shady areas out on the patio Steve and Patsy Floyd had set up. It was an informal setting, with people scattered between the tables and spread out under the trees in chairs. And it couldn't have been more perfect. The weather was sunny but the temperature was comfortable. We were ready to pay tribute and to be entertained. And entertained we were, as speaker after speaker told amusing anecdotes about Bobby and how he had affected the World of Shuffleboard in California. After all the speakers had their say, Bobby's nephew, Joe Scott, took over the microphone. He was to sing a song he had composed about his uncle. As the music came up and Joe started singing, the crowd started weaving and bobbing in their chairs, feet swinging and toes tapping. If you looked around the crowd when the chorus came up, you could see quite a few people singing along. All in all, it was a fine performance. As Bobby accepted his award, he once again got the crowd chuckling.

Then came the meal. I have to say there are a lot of great things about a tournament at Mr. G's, but one of the best has got to be the food you are served. Every time I got up to play, someone would poke their head in the back door and yell that there was a pot of clam chowder out back, or spaghetti, or the barbecue was ready. They sure know how to feed a crowd!

On a different note, we would appreciate all of the shuffleboarders sending good thoughts out to Dixie Debbie. On a trip in May to the Cook Islands to see her partner Steve, Debbie was involved in an accident. She's back home and out of the hospital now, but it will be awhile until she's fully healed.

## **"The Board Talk Makes Us a Family....."**

You and the shuffleboard family are just awesome!

I first have to express my deepest regrets regarding Denny Busch. This truly is a giant loss for me. I met Denny in Las Vegas and with each passing tournament, he became more dear. Denny always made it a point to see me upon his arrival to say hi and ask if there was anything he could do to help me set-up. Although I was only able to see Denny once, maybe twice, a year, he had truly become a dear, dear friend. He was always so positive and a joy to be around.

Which brings me to the point of this letter. If it weren't for The Board Talk and its advertisements, I probably would have never met Denny. And in the end, as it was in the beginning, if it weren't for The Board Talk, I would never have known of his passing. I also wouldn't have known about Jean Cockrum. Now Von and I can send a get-well message (which is ironic because it was just a short time ago that we received the same from Woody and Jean).

I truly believe that The Board Talk is what makes us a family across the country. It not only informs us of great places to play, but it acts like that favorite old aunt who keeps everyone informed on the rest of the family.

Thank you, George and Donna, for extending our family so. And during a time when I do not get out like I used to, thank you for keeping us in touch with our family.

Al Stewart, El Monte, California

*We've been called a lot of things before, Al, but a "favorite old aunt" has never been one of them. It has a nice ring to it, so guess we'll keep it -- and thank you for your kind words. But, as we told Woodie, we're only as good as the people we serve.*

*We share your sentiments about Denny. One of our absolute greatest times we've had since we joined the shuffleboard family was spending a day at the race track in Omaha with Denny and Gwyn Orsi.*

# Spokane's Memorial Tourney a "Triple Hitt"

By Melody Marine

Rod's Drive Inn, Spokane, Washington, hosted its annual tournament over the Memorial Day weekend. Top honors went to Dan Hitt. Of the four events in the tournament, Dan took home three wins and a second place. His patience, determination and skill are indicative of his level of play. It is clear to all that he is definitely on his way to the top. Congratulations, Dan, you deserve it!

The handicap draw was a great success. Dan Hitt and partner Bea Gilman systematically picked off the competition. Bea's 30-plus years of experience clicked that night. When efforts to remove the hammer from Dan were used, Bea didn't flinch and started lagging threes. She certainly proved both her tenacity and love of the game.

Bea Gilman and Dan Hitt were winners of the handicap draw at Rod's Drive Inn.

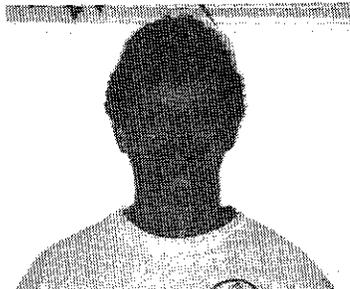

Steve Kalamarski and Melody Marine took second place in the handicap draw.

Al Pease and Caveman Ward took third place.

## REMINDER!

*Your reports must be received by the 15th of each month to appear in the next issue.*

Rick Shaw (left) and his partner, Steve Kalamarski (shown with Melody), two house players, took first in Friday night's A/B draw. They battled against Dan Hitt and Jerry "Dink" Loberg, to take the win.

Third place was a split. Melody Marine and Al Pease agreed with John Rostollan and Caveman: "It's too late, we're too tired; let's split the cash and get some sleep!"

Only 16 teams played in the open doubles, but the purse was still close to three grand -- more evidence of Spokane's commitment to putting on a great tournament. Dan Hitt and Al Pease double-dipped Mike Thorpe and Gary George to steal first-place honors.

Dennis MacPherson and Fred Palmer snuck up on quite a few teams and took third place.

The four-lag contest paid out \$250. With a seven-way tie going into the last game of the tournament, once again Dan Hitt finished things off with a touch of class and style. With the last shot of the tourney, Dan lagged a four to not only win the final game of the open doubles, but to snag the 4-lag pot.

A special thanks to Vickie Rosslow and Pam Cole for their efforts to coordinate the Saturday buffet. Nothing compares to the all specialty dishes that were brought. It was a feast beyond words. Bartenders Chris, Patti, Jimmy, Nemo and Tom did a great job, too.

Rod's Drive Inn and the Spokane shufflers thank all the out-of-towners for making this tournament such a success: Russ Miller (thanks for the cherries), Gordy Smith, Loren and Paulette, Jim and Michelle Foran, Judy and Gary George, Al Pease, Caveman, Rick Gindt, Mike and Hazel Thorpe, Jim Buhl, Les Burt, Dennis MacPherson and Fred Palmer. We appreciate your support; hope to see you next year.

## Mother's Hosts 2nd Annual "Spring Fling" in Corpus Christi, Texas

Mother's "Spring Fling" tournament in Corpus Christi, Texas, had 32 entrants, with 23 from the local area, five from San Antonio, one from Austin, one from Canyon Lake, and two "Yankees" from Michigan -- John Kinney who winters in Rockport, Texas, and Jimmy "The Cop" Kumpula who winters in Florida and drove to Texas especially for the tournament. "We sure hope Jim and John make it back next year," said tournament director Neil Garvin.

Friday night was a handicapped draw partner event which was won by Morrie Estes of San Antonio and Cindy Gillihan of Corpus Christi. Second went to Steve Winters of Rockport and John Schmidt of Corpus Christi. Third went to Fred Harris of San Antonio and Ruth Smith of Corpus Christi, with fourth taken by Mickey Baugh of Corpus Christi and Duane Keith of San Antonio.

First-place in the four-person team event, held on Saturday, went to (from left) Jennifer Schmidt, Pete Garcia, Brenda Moore and Sharon Olivio.

Second place honors went to the team of John Schmidt, Carolyn Groom, Jimmy the Cop, and Neil Garvin. The final frame decided the first two places.

Third place went to Pat Gainey, George Best, Sandra Pressley and Ruth Smith, with fourth going to Mickey and Virgilette Baugh, Duane Keith and Cindy Gillihan.

Mother's now has three in-house boards and is planning now for the next Spring Fling, set for March 19-21, 1999. "Y'all plan on coming down," said Neil.

## Wigwam Tavern Tops in Washington's Kitsap County

Kitsap County in Washington State has always been a hotbed for shuffleboard action, and the 1997-98 season proved to be no exception! The league started with nine tough teams and, in the end, the Wigwam Tavern proved beyond any shadow of doubt that it fielded the strongest team seen in these parts for decades. Using a four-person team and a seven-game format, the winning crew dominated the league from start to finish.

The championship assemblage were teammates: Les (Top Gun) Burt, Alvin (Machine Gun) Orcutt, Mike (Hired Gun) Waters, and Norm (Son of a Gun) McVeigh as "starters." "Off the Bench" were: Janice (Zip Gun) Burt, Gary (Nail Gun) Orcutt, and Don (Gatling Gun) Tompkins.

After the dust settled, all participants took part in the first annual Kitsap County Championship Classic. League champs Wigwam Tavern were the victors, trouncing second place finisher, Fuzzy Naval Tavern.

This exciting season was capped by a banquet and draw partner tourney at The Blue Goose on June 20.

It's time for all shooters in the league to start focusing on the new season and keep the momentum going!

My thanks to everyone involved in making Kitsap County shuffleboard a major part of my life.

Norm McVeigh, Belfair, Washington

*We're happy to hear that your league is so strong. We're convinced that local leagues will always be the backbone of shuffleboard.*

## "On the Road Again" with Glen.....

I have just read the June Board Talk and see how much I left out. Some of my followers (2) called letting me know also, so I will try to catch up.

First, Florence "Tree" Cameron let me know that she won the draw partner, first ever, at the 10-day tournament in Garland, Texas. Rod, her husband,

# Frisko Eddie's Revenge: The Return

A series by Balboa Ron Schweikert

*(In the last episode, Shelli convinced Eddie to stop at the Blue Moon on the way home from the airport instead of going directly to the apartment. Eddie discovered that while he had been on the road, Shelli had become a sharp-shooter on the boards. Only then did they go home for a passionate reunion.)*

After their avid lovemaking, Eddie and Shelli lay exhausted. Then Eddie gently whispered into Shelli's ear: "Darling, I think we both know now that our love will last for always, so I want to ask this question." (Shelli's heart started to pound! Her excitement level was peeking in anticipation of what she had been waiting for so long -- that Eddie would finally "pop the question"!) Eddie continued: "I know I'm ready -- so would you be willing to be....begin another round of lovemaking, sweet thing?"

She was instantly taken back by what she heard! But after she looked him deeply in the eyes, and further sized things up, she realized that he meant to say that. She grabbed a pillow then and started hitting him with it. She hollered out: "That's NOT what I thought you were going to say, you bum!" (The pillow hitting was starting to get humorous now.) Shelli went on: "What the hell are you on, anyway -- that new Viagra staff?" She was laughing and still hitting now as she said: "My aunt told me that Uncle Dick tried it and he wouldn't let her alone for four or five hours!"

Eddie was laughing and trying to cover his head from the pillow. He shouted out: "Hold it, Honey! You know I don't need any junk like that. Your beautiful body is all I need, Baby! Now, quit the pillow attack, or I might get distracted from our main business here!"

Upon hearing that, Shelli (rather quickly) put the pillow back behind her head. They looked deeply into each other's eyes and in only a moment or two, they were back in each other's arms. As if it were not possible, their passion rose to even greater heights when they made love for the second time, and then...again. After a few words of whispered love, their total exhaustion took them into a deep and dreamy, long sleep.

The following morning, Eddie arranged for a couple of days off for them. They spent their time leisurely, in the local area. The first day, they drove up to a place they both loved to go -- Napa Valley and the Wine Country. After all the free samples of wine from the many wineries, Eddie (who had to try them all) had a little buzz-on, so Shelli took over the driving.

The scenery was beautiful on the drive back to the city. The greenery and trees along the road were mixed with miles and miles of golden wheat, which they call the "Golden Wave." The wind ripples through it, and (especially from the air) it looks like giant

waves are moving along the ground. They also passed a few dairies and watched the back and white Guernsey cows as they made their way back to the barns. All in all, it was a beautiful, romantic, and relaxing day.

In a week or so, Eddie started to get back into a regular routine. All was moving along very smoothly at the Blue Moon and with Shelli and everything actually. Then one afternoon, Shelli came up to him with that "watch out" little grin on her face. He said: "What's up, Honey Love?" and waited for something unexpected from her. She was concealing something behind her back.

Her smile broadened as she revealed a copy of the Board Sqwalk magazine. She went on to explain: "Honey, I just happened to notice in here that there's a couple of tournaments that are real close to here coming up real soon. I want us to go, Baby. I'm ready to take on just about anybody!"

Eddie looked very hard into her eyes then as he gave his reply: "I've been waiting for you to come up with something like this for a while now. Now, you watch my lips very carefully, because I'm only going to say this once. The answer is definitely....."

--TO BE CONTINUED--

*What will Eddie's answer be? And how will it impact their relationship? Don't miss the next episode!*

*Balboa Ron, who hails from Las Vegas, Nevada, reports that his state is forming a Shuffleboard Hall of Fame and that the California Committee has donated some "seed" money to get them going. What a great gesture of support!*

## Michigan "Champ" Passes

Bill Kuebler, lovingly known as the "Cookie Man," passed away on June 16.

In last Thanksgiving weekend Michigan State Championships, Bill, at the age of 72, took the Div. II singles crown. He and his wife, Betty, placed fourth in the mixed doubles, and he and his partner, Frank Parrish, finished fourth in the open doubles. In the 1997 Skip's/Board Talk Fall Bash, Bill drew Oklahoma pro Glen Davidson to take first in a field of 24 teams.

## Lots of Winners at Blinky's 7th Annual

By Rick Thomas

Blinky's Sports Cafe in Santa Clara, California, hosted its 7th Annual Memorial week tournament May 17-25.

On Sunday, May 17, the always-spirited ladies' draw doubles got underway. This event drew cheers from players and spectators and at the end of the evening, the winners were Linda Aragon from Arizona and local Stevie Parks. In second place were Cori Brown and Lorraine Bingham.

On Monday, the amateur doubles draw shootout got underway and as always this event seems to get quite exciting and some pretty darn good weights were exchanged. At the end of this evening, the winners were Dale Pirlot and Chris Wayt. Giving them a scare and coming in second were the dynamo team of Jane Mourgos and Linda Aragon. In third place were local Eddie Brayman and Sandy McQuillan from Livermore.

The amateur singles began with 16 players vying for the \$2,040 prize fund. Tell you what, these folks came to play -- good play all night and some surprises. The results: In first place and celebrating his first amateur singles win was Steve Heidenreich who shot great all night; in second place, Dave Keithahn from Visalia; third place, Chris Wayt; and fourth place, Dale Pirlot.

On Wednesday and Thursday, the ever-popular ABC draw had 10 teams participating for a prize fund of \$2,770. Some of the amateurs and spectators alike were quite impressed with the quality of shooting during this two-day event. In the end, the local team of Pat Bayless, Eddie Brayman and Jim Olson took first place. In second place were Don Cox, Jane Mourgos and Lorraine Bingham, and in third the team of Nick Chaffin, Donna Cox and Vicki Hunt.

The pro/open doubles started Saturday morning with a prize fund of \$7,045. This event also provided some exciting shot-making. The end result showed Nick Chaffin (Roseville) and local Pat Bayless in first place. Bubba Warren (Huntington Beach) and Andy Brorson (Stockton) teamed up to take second place. In third was the team of Joe Hudson (Sacramento) and Fred Thuman (Auburn).

The pro/open singles got underway on Sunday morning with 19 players participating for a prize fund of \$5,450. Not unusual that this event was a barn burner. In the end and through the winner's bracket and playing very well was Bobby Hunt (Sacramento) in first place, with Don Cox in second. Coming in third from Bellflower was Karl Spickelmier, and in fourth place, Paul Parks.

The grand total for the prize fund for the week was \$18,955.

We would like to thank all the out-of-towners that always support this tournament and others who dropped in to play: Gil and Linda Aragon from Arizona, Bob Shaw from Texas; from Southern California -- Bubba Warren, Karl Spickelmier, John Fisher, Dudley Hutcherson; from Northern California -- Bob and Barbara Crum, Sandy McQuillan, Ray Comer and Richard Porter; from Livermore -- Hal Perry, Nick Chaffin, Joe Hudson, Fred Thuman, George Camara, Andy Brorson, Bobby Hunt, and all the locals who participated to help make this tournament a success.

Many thanks to the crew who kept the drinks flowing and to the cooks, Heinz, Don, and the crew who barbecued a pig. The food fest on Saturday was amazing!

Many thanks to Dick (Blinky) and Barbara for allowing us to support this great game of shuffleboard.

### Quarterly "Map" Will Become an Annual Feature

By George & Donna Wilber

For several years now, we've been publishing (at our expense) a quarterly "Play Your Way Across the U.S.A.," listing all the shuffleboard establishments that are subscribers of The Board Talk. We **know** it has been used and appreciated by travelling shufflers across the country. We **thought** it would be appreciated by establishment owners to have free advertising four times a year; some do, others evidently do not. There have been instances when an entire state has been wiped off the "map" because the shuffleboard locations failed to renew their subscriptions.

We've been asked: "Why don't you send notices?" to those who are delinquent. We simply do not have the financial and human resources to do that. If the average subscriber can respond to our "red check" method of notice, why can't the establishments?

Therefore, effective immediately, we will publish the "Play Your Way Across the U.S.A." once a year instead of quarterly. We will continue to list, every month, information about the new establishments that have joined our national network so subscribers can make additions to their annual listing. So, be sure to save the "Play Your Way" that was in last month's issue because you won't get a new one until next year.

## **2ND HOUSTON HOLIDAY OPEN, DEC. 26-31**

Co-Directors Johnny Ballard and Jack Scott started working January 1st on improvements that would ensure the Houston Holiday Open's continued success as one of the most enjoyable, first class tournaments, for all skill levels, in the nation. Comments from many of the 125 participants revealed that the only way to improve was to anticipate increased attendance and tweak some of the events.

Some of the changes are:

1. The number of boards will increase from 12 to 14
2. The number of events increase from 9 to 12 (2 divisions AB Draw, ABC Draw, 2 division 4-person team, 2 divisions bring partner, 3 divisions singles, 2 divisions draw -- New Year's Eve)
3. Tournament will start 3 p.m. Saturday, Dec. 26.
4. More boards will be made available for side games and round robins.
5. Increased size of mixed drinks, soda and coffee.
6. No late play or early calls for singles.
7. House phones from bracket boards to rooms for people staying in hotel and resting between matches.
8. Expanded New Year's Eve with two draws, hors d'ouvres and party favors.
9. TVs in tournament area for football games.

Many players said that after Christmas through New Year's Day was the best time to take off work if plans were made in advance. Well, make those plans now and vacation with over 150 shuffleboard friends at a first-class hotel for a budget price.

The venue will again be the elegant Grand Ballroom of the Southwest Hilton Hotel in Houston. The Hilton is offering tournament guests a first-class room with two double beds, and two breakfast buffets (a \$115 value) for \$49.95 + tax. The hotel provides a free workout area and courtesy service to local shopping.

More detailed information will be available in next month's Board Talk, or call Johnny B at 713-759-3706. Rules can be found on the net at [www.shuffleboard.net](http://www.shuffleboard.net).

## S.W. Philly Bar Starts its Own Hall of Fame

By Steve "Ski" Lacinski

On April 25, Jem's Barrel Inn in Southwest Philadelphia accomplished another milestone in the sport of shuffleboard. In between the match that pitted the S.W. Philadelphia Shuffleboard League Champs (Jem's Barrel Inn) against the Eastern-Delco League Champs (J & C Tavern), a little twist in history occurred when six people were inducted into the Barrel Inn Shuffleboard Hall of Fame.

The Barrel, rich in tradition, decided the time had come to acknowledge and pay tribute to some of the finest shufflers and people that any establishment would be proud of. Sadly, three of the inductees -- Joe McBride, Paul Marcucci and Mike Harkins -- are no longer with us, but we hope they were watching the tribute while playing on that board in the sky.

*Three of the inductees were there (even though it took some undercover work to make it happen): Jim Yank Sr., Jim Camp and John Jozwiak. They were caught by surprise with this highest honor that we could give them.*

For some 20-plus years, these shufflers were the cornerstone to all the shuffleboard bars' successes. Leadership, loyalty, dedication and sportsmanship were their strong qualities as they shared and taught.

Their induction was our way of saying "thank you."

### The Phila-Delco Shuffleboard Challenge

For the first time in many years, two old rivals -- the Barrel Inn and J & C's Tavern -- met to settle the Phila-Delco Challenge. It was champs versus champs of each of their respective leagues.

To both of these establishments, shuffleboard has been a "religion" going back several decades. Some of the best players have travelled through these bars and some have also played for them, including National Hall of Famer Mickey Mickens.

When J & C won their league championship, the slogan they chanted was "House of Pain." Former Barrel Inn player Jim Yank warned his J & C team mates: "Beware! That slogan started at the Barrel many years ago." When the Challenge was set, Jim's lifelong friend, John Tomosky, had a banner welcoming J & C to the "ORIGINAL House of Pain."

J & C ( a superior team all taught by Yank) won Part 1 of the challenge 6 out of 7. The Barrel played Cinderella or the Bad News Bearels because they were totally underdogs all the way through the playoffs, while J & C won their championship for the third straight year. Part II of the 15-game match will be hosted by J & C.

Home team league rules apply in these matches. At the Barrel, it's 21-point games/no waxing of rails; at J & C, it's 15-point games/waxing of rails.

## S.W. Philly Bar Starts its Own Hall of Fame

On April 25, Jem's Barrel Inn in Southwest Philadelphia accomplished another milestone in the sport of shuffleboard. In between the match that pitted the S.W.
