Several January tournaments have not yet been reported. These will be included in the February issue. All tournament events and results need to be sent directly to eshuffleboard.com by the tournament directory/bar owner or their designated person to be included in the "print" issue.

cafépress.com

I've added some items (finally) to the <http://www.cafepress.com/eshuffleboard> store. The idea is to sell nice merchandise and the \$1-\$2 mark up goes to support the maintenance of www.eshuffleboard.com, including the hosting and name registration fees. I also hope to finance special projects like the mailing of newsletters to larger tournaments and the eNewsletter program itself and several other ideas I have in the works.

Vendors and venues can help by lending your existing logo or I'll design a graphic for you and put it on several items of your choice. You can see an example featuring the Journey's End logo on coffee cups. You will be able to support eshuffleboard.com at no cost to yourself or your business and the graphic designs will be yours to use as you wish. Imagine special prizes for your tournament (beer steins for example) with the name, date and place instead of the usual trophies or plaques.

Please note: Café Press can also do "Books" and I am considering this on a quarterly basis.

A Shuffleboard Dream

On the night before the tourney, here at the bar
Early birds were arriving, by truck and by car.
With hellos and howdys out of the way,
In a matter of minutes, we heard "let's play"

House weights were laying down in the channel,
Someone took them off, I think he wore flannel.
With used powder wiped off, not a real good job,
"Go over it again, you non-playing slob!"

With the board cleaned off, someone said "hey",
Let me check out the plank, I think it needs spray.
It was determined the board was to dry,
Some drunk then spoke up, "I'll give it a try".

The spray job was marginal, not all that great,
We decided to play it, we just couldn't wait.
Powder was applied, just a little to thin,
Someone at the bar said, "Go over it again".

With the board re-dusted, agreed on by all,
"Flip the coin", "I'll make the call"
Tails was called, it came up a head,
"I never win a hammer, guess I'll shoot red."

With the first round over, blue scored that frame,
"I'll need 4 quarters to start up the game.
"What's with a buck, we're not out west!"
"Put in a quarter or sit down and rest!"

The game dragged on for most of the night,
The sun was rising, it started to get light.
The hammers were ones, just about every frame,
We doubted if we could play a second game.

At 14-11 with four weights on the board,
A hanger was thrown, everyone was floored.
Because it's my story, I'm puttin' it down,
The name of the shooter, Laggin' Larry Brown.

A Death in the Family?

Today we mourn the passing of a beloved old friend, Mr. Common Sense.

Mr. Sense had been with us for many years. No one knows for sure how old he was since his birth records were long ago lost in bureaucratic red tape.

He will be remembered as having cultivated such valuable lessons as knowing when to come in out of the rain, why the early bird gets the worm, and that life isn't always fair.

Common Sense lived by simple, sound financial policies (don't spend more than you earn) and reliable parenting strategies (adults, not kids, are in charge).

His health began to rapidly deteriorate when well-intentioned but overbearing regulations were set in place.

Reports of a six-year-old boy charged with sexual harassment for kissing a classmate, teens suspended from school for using mouthwash after lunch, and a teacher fired for reprimanding an unruly student only worsened his condition.

Mr. Sense declined even further when schools were required to get parental consent to administer aspirin to a student, but could not inform the parents when a student became pregnant and wanted to have an abortion.

Finally, Common Sense lost the will to live as the Ten Commandments became contraband, churches became businesses, and criminals received better treatment than their victims. Common Sense finally gave up the ghost after a woman failed to realize that a steaming cup of coffee was hot, then she spilled a bit in her lap and was awarded a huge financial settlement.

Common Sense was preceded in death by his parents, Truth and Trust; his wife, Discretion; his daughter, Responsibility; and his son, Reason. He is survived by two stepbrothers: My Rights and Ima Whiner.

Canadian Short Board Rules

Our boards have a 14 foot playing surface with a center 'Hog Line'. You must pass this line to enter the scoring zone for 1,2 or 3 points and of course the 4 point hanging rock.

We use the 3 judge system for point discrepancies. Most of our tournaments are open doubles (bring your own partner).

We do have a few draw tournaments and this season we are holding our first A/B (Pro/Am) tourney. This is our effort to recruit new players and match them with more experienced players enabling them to pick up some tips and build their confidence.

We play a single round robin game and depending on how many entry's we have we will divide the teams into divisions for the sake of time, as we have only 3 boards in our venues.

We also play losing points which count towards a win. The top 2 teams from each division advance to the playoffs. Again the playoff is a single round robin. Every team plays each other once for 1st, 2nd, and 3rd place.

That's about it for our format. Pretty simple and it works well for us.

Theresa Lynk for Rico Beaulieu, President
(OSA/Ontario Shuffleboard Association)

What is the OSA?

The OSA is one of eight charters incorporated under the Canadian Shuffleboard Congress.

The OSA charter is comprised of three main areas in Southern Ontario:

Kitchener / Milton / Niagara Region Each of these areas organize their own tournaments, usually on a monthly basis, and all tournaments are open to anyone who wishes to play.

The criteria for playing in the OSA play downs are:
A league member must have played in 3 tournaments during the season. (Nov – May)
Non-league members must have played in 5 tournaments during the season. (Nov-May)

There are seven other charters extending from Kingston in eastern Ontario to Victoria British Columbia. Every year players from each of these charters compete at a provincial level in order to qualify to play in the one week long Canadian Championship event, held every October.

There are five categories of competition which are:
Ladies Singles, Men's Singles, Ladies Doubles, Men's Doubles and Mixed Doubles

The job of hosting this event each year is done in a rotational manner from province to province.

Doubles Tournament
American Legion #258
Pierceton, IN**

Pierceton, IN - Pierceton, Indiana played host to shuffleboard players from across the state January 20-21st. Friday night two draw partner events were held for the competitors. Saturday 13 teams vied for the weekend doubles title. Terry Dowell from Mentone (formerly of Bourbon) and Gary Neff, current Bourbon resident placed 3rd. Jesse Lainhart and Scott Smith from Summitville placed second, coming through the losers bracket. Bourbonite Gary Anglin and Partner placed 1st.

Special thanks to Dan Elder, Pat Kuhn and Jan Elder for manning the registration desk and the bracket board. While tournament director, Phil Heinzman, was held up out of town on business these folks made the tournament run smoothly. Phil's aura was still felt by the added entry money and the "Lag a 4" envelopes on the end of each board. Three out of 4 envelopes were won. Lagging 4s on the day were Mary Brown, Terry Dowell and Robbie Collins.

22 Singles

Bourbon, IN: Festivities in Bourbon began at noon Saturday, January 28th with 22 players signed up for the singles shuffleboard event. Play commenced after the calcutta on the 4 great boards and a 5th board that's Ok <g>. Gary Neff ran the brackets with help from others while he was playing. Ann Harrell took the entry fees and calcutta money. Using a spreadsheet, she was able to divide up the calcutta and entry fee money in a matter of minutes as it was all figured automajically when the last calcutta sale was made.

About 5PM board 2 was taken out of the tournament as 32 pool players arrived en masse for a pool tournament that was to start on the two pool tables in the north room at 6PM. Journey's End matches the entry fee for the pool tournament and many of the shuffleboard players thought that was a fine idea for their tournament also! This suggestion was ignored, pretty much, by Mike Koontz.

Last game on board 1 on the south wall was about between Gary Neff and his sponsor, Dennis Creighbaum. Gary won that game and that board was closed to prepare for Karoke beginning at 9:00 PM. We then retired to the "back" room where the tournament was to finish up on the three boards there.

Gary Neff played Terry Dowell on board 4, which 30 years ago belonged to Terry's family then found a home in the garage of Gary Anglin for many years. Terry put up a good fight but was hampered by a torn rotator cuff that he will have operated on this coming Thursday.

Gary then proceded to board 3 on the north wall to play Pam Dowell. Pam had defeated Gary soundly on that board to put him in the losers bracket earlier in the day. Pam lagged four 3s but Gary fought back with some good defense and some fine lags of his own to prevail.

And then came Bud. Bud Broka, still rated -.29, proved he still has the stamina and skill to hold back the competition, going undefeated for the day despite Gary's best efforts to force a second game. Congratulations to Bud and Gary and their sponsors for a fine tournament as well as Terry and Pam Dowell.
