

2008 Florida State Tournament Results

November 28-30, 2008

Moose Lodge #1962
3264 N. Hwy. US1, Mims, Florida

The C.F.S.A. wishes to thank our host, Moose Lodge #1962 in Mims, Florida, for their help and support and for setting aside the "WEST WING" for shuffleboard activities. We call this the "Weight Room" and in fact we have a wall Mural with a slow moving turtle and a fast skating rabbit, compliments of Moose Member Ron "Limey" Richardson. If you look closely in the picture gallery, you may see these legendary shuffleboard figures. Florida has had the same State Tournament dates as Indiana and Michigan for the past 14 years and our turnout this year was about average, but the competition is heating up big time and we are looking forward to a big 2009 Tournament Schedule. -- By: Marty Allen, C.F.S.A.
