## February 2006 Wrap-Up of Results!

The February Wrap up includes all tournaments reported to eshuffleboard.com as of this date, March 20, 2006. My goal is to have each months wrap up posted for printing on the 10th of the following month. To meet this goal I will be starting the March Wrap Up as results come in. The sooner I receive your tournament results the sooner I can get this "print" issue out for the folks without internet access. I try to put this together in the most economical manner possible for your personal printing. I know how much ink costs, believe me.

Several flyers have been posted including the SW Open flyer provided by Kathy Yingst and that can be found on the Oklahoma Schedule page.

Flyers for Oskar's in Bellflower, CA have also been posted this weekend and are on the California Schedule page.

## The Shuffleboard Guy

In early March, 2006, Bourbon, Indiana lost a friend and shuffleboard player. Jan Morlan passed away March 7<sup>th</sup>, 2006, at the age of 59, of natural causes. Jan was a Viet Nam veteran and had grown sons and siblings. Jan will be missed dearly by his family and his extended shuffleboard family. Even though I knew Jan hadn't been feeling the best for the past month, I was still shocked when I heard the news. I asked me oldest son, "Did you know Jan Morlan from the Legion? He died!" He says, "The shuffleboard guy!?! No way!"

Jan played shuffleboard a lot, mostly at the Legion and Journey's End, rarely anywhere else in recent years. He was a fixture at the Legion, always ready to step in and play whether it was with some of the younger, newer players or with and against the "pros" like Jim Long, Mike Koontz, Dennis Kinsey or Gary Anglin. He'd clean the gutters, wipe and spray the board (some would say over sprayed) and have it ready to play for when other players showed up at the end of the day for a game or two. He generously doubled with me in several tournaments when I first started playing and couldn't get a partner.

Photo taken February 18, 2005

Jan played league this year on the "Do Wells", captained by Terry & Pam Dowell in the Bourbon/Etna Green League. Another member of the team, Bud "Harry" Esterline, told me that Jan was really happy to be playing on such a good team this year. They finished 1st in season play but second in the tournament. He even enjoyed watching and supporting the team on the nights that he didn't get to play.

Last time I spoke to Jan other than just to say hello in passing was February 11th, 2006. Actually, it was more like the 12th as it was about 2:00 AM. As happened many times, Jan and I were the last ones to witness the end of the tournament. He stayed to see who won and I stay to record and report the events. This happened to be the Sweethearts tournament at the Warsaw Eagles and I gave him a ride home to Bourbon afterwards.

You say the usual things, like "take care", and "see you later", never realizing that it might be the last time you speak to someone. I'll miss Jan. Many is the time I walked in some where and asked "Where's Jan?". Now something will always be missing in those places. It will be Jan, father, brother, veteran and "the shuffleboard guy".

## What do women really want?

King Arthur was ambushed and imprisoned by the monarch of a neighboring kingdom. The monarch could have killed him but was moved by Arthur's youth and ideals. So, the monarch offered him his freedom, as long as he could answer a very difficult question. Arthur would have a year to figure out the answer and, if after a year, he still had no answer, he would be put to death.

The question?...What do women really want? Such a question would perplex even the most knowledgeable man, and to young Arthur, it seemed an impossible query. But, since it was better than death, he accepted the monarch's proposition to have an answer by year's end.

He returned to his kingdom and began to poll everyone: the princess, the priests, the wise men and even the court jester. He spoke with everyone, but no one could give him a satisfactory answer. Many people advised him to consult the old witch, for only she would have the answer. But the price would be high; as the witch was famous throughout the kingdom for the exorbitant prices she charged.

The last day of the year arrived and Arthur had no choice but to talk to the witch. She agreed to answer the question, but he would have to agree to her price first. The old witch wanted to marry Sir Lancelot, the most noble of the Knights of the Round Table and Arthur's closest friend! Young Arthur was horrified. She was hunchbacked and hideous, had only one tooth, smelled like sewage, made obscene noises, etc. He had never encountered such a repugnant creature in all his life. He refused to force his friend to marry her and endure such a terrible burden, but Lancelot, learning of the proposal, spoke with Arthur. He said nothing was too big of a sacrifice compared to Arthur's life and the preservation of the Round Table. Hence, a wedding was proclaimed and the witch answered Arthur's question thus:

What a woman really wants, she answered....is to be in charge of her own life.

Everyone in the kingdom instantly knew that the witch had uttered a great truth and that Arthur's life would be spared. And so it was, the neighboring monarch granted Arthur his freedom and Lancelot and the witch had a wonderful wedding. The honeymoon hour approached and Lancelot, steeling himself for a horrific experience, entered the bedroom. But, what a sight awaited him. The most beautiful woman he had ever seen, lay before him on the bed. The astounded Lancelot asked what had happened

The beauty replied that since he had been so kind to her when she appeared as a witch, she would henceforth, be her horrible deformed self only half the time and the beautiful maiden the other half. Which would he prefer? Beautiful during the day....or night? Lancelot pondered the predicament. During the day, a beautiful woman to show off to his friends, but at night, in the privacy of his castle, an old witch? Or, would he prefer having a hideous witch during the day, but by night, a beautiful woman for him to enjoy wondrous, intimate moments?

What would YOU do? Noble Lancelot, knowing the answer the witch gave Arthur to his question, said that he would allow HER to make the choice herself. Upon hearing this, she announced that she would be beautiful all the time because he had respected her enough to let her be in charge of her own life.

Now....what is the moral to this story?

The moral is.....If you don't let a woman have her own way....Things are going to get ugly.

**Sweethearts Shuffleboard**  
**February 10-12, 2006**  
**Downey Elks 2020 Downey, CA**  
**Reported by Chris Brown**

DOWNEY, CA: The Sweethearts Shuffleboard Tournament, negative-handicapped event drew 16 teams with prize money totaling \$3060.00.

## **Negative Handicap, Max 3 Points**

The First Place Winners were Paul Obermiller and Cindy Clark of Arizona.

The Second Place Team was Bob Naretta (an Elk Member playing in his first tournament) and Michele Lamo of Orange County, CA

The Third Place Team was Tony and Dottie Bastenchury of Orange County, CA

The Fourth Place team was Vern Booth and Gloria Duron, also of Orange County, CA

The 3 point max. negative handicap system once again proved itself as effective as the First Place team was the highest rated (combined rating of 2), while the second place team was the second lowest rated (combined rating of 7). The 3rd and 4th place teams both had combined ratings of 4.

A great time was had by all, and no one went home hungry. Friday night the Elks kitchen served up a choice of Baby-Backed Ribs or Liver & Onions. Saturday Morning came and Breakfast Burritos were available. Saturday afternoon sandwiches and snacks came out. Saturday night was Pizza and Beer night. Sunday morning was the monthly Esquire's Breakfast. Sunday afternoon a Pot Luck was served featuring a Barbequed Turkey and a Ham.

Ernie Alvarez, in memory of "Bellflower Bruce" Hale, distributed roses to all the ladies, and offered a \$50.00 prize to the first 4 lagged with hammer. The money was taken by Kenny Hawks (with a beauty lag during his second match) which he promptly used to buy a round for the house, another deed done in Bellflower Bruce's memory.

All players involved left with smiles and hugs, and promises to return for the next tournament.

## Ernie's

**25th Annual Masters**  
**Ernie's Fir Cone**  
**February 25 - 26, 2006**  
**By Dwayne Dibley**

**Shelton, WA:** Ernie's Fir Cone Masters is the longest running open doubles in the Pacific Northwest. It has survived three different owners and continues to draw the best of the best from all over the country. Players have come from as far away as Maine, Pennsylvania, Indiana, Nebraska, Texas, California, and Canada. With 2 great boards and a owner who has a good shuffleboard attitude, the future look bright for Ernie's Fir Cone Masters. Teams are already forming for next years Masters. Players are searching out the right partner to create a magical moment that will lead to their names being inscribed on the trophy and their names written in history.

This years magical moment belongs to Gary George and Jeff Kersting. They join the select few who have their names on the trophy by cruising through unbeaten to become the 2006 Ernie's Fir Cone Masters 2006 Champions. Dino Mako and Mike Waters were not without their own magic. Being behind in almost every game and still finishing second after losing their first match in this field of competitors proved to be quite a feat. Third place went to the team of Carl Roush and Dean Johnson. This is the team that proves that practice pays off. Carl and Dean have been away from the game for quite a while, but devoted the time and effort to learn the boards, and it paid off. Vern Gonzales and Mel Hohn finished fourth.

Regardless of the outcome everyone had a great time with good friends and good competition. Another benefit to the Masters is the feast provided by the Shelton Shuffleboard Community. Ernie would like to thank all the people who contributed to the success of this tournament, and all the players who gave their all.

*The next scheduled tournament at Ernie's Fir Cone is the Forest Festival A-B Bring your own partner on 02 -03 June, 2006. For more information on this tournament contact Ernie (360) 426-2221.*

\* Dwayne Dibley is a syndicated columnist for an unnamed national publication and accepts no compensation for his analysis, but merely does it for the love of the game. However I would like to clear up a minor issue. Mel Hohn (a close personal friend and college classmate) and I are indeed different people. If you are interested in having me comment on your upcoming tournament contact me at [ddibley@comcast.net](mailto:ddibley@comcast.net)

## The Palace Bar

Fairmount, IN February 4th, 2006

Home of James Dean, Garfield and Bobby V.

Fairmount, IN - Sixteen teams from Bourbon, Summitville, Pendleton, Hometown, Ft. Wayne and....Cincinnati, OH converged on the Palace Bar in Fairmount for an Open Doubles Shuffleboard tournament despite it being one of the few days of snow this winter. This same tournament [last year](#) drew just 11 teams. This upswing in participation can be credited in part to the promotion efforts of Glen Ingram from Summitville and several local teaming testing their skills against the out of town professionals.

Glen Smith from Cincinnati drove up to acquaint himself with the shuffleboard community. He had been following events online for awhile and took the plunge after a 20 year absence from the shuffleboard circuit. Though he had not been planning to play, he partnered with Ann Harrell for a couple credible games. Indiana and National Hall-of-Famer Jim Long and Glen reminisced about players they both remembered from that area (and era!). Here's hoping Glen and his wife can make it up to several more tournaments, including the [April 15th](#) 1.5> Amateur tournament.

Gary Anglin and his partner were put in the losers bracket by Jim Long & Glen Ingram but came back to defeat them the second time around giving Jim and Glen 3rd place. They were unable to force a 2nd game for the championship and Laggin' Larry Brown and Bobby V went undefeated for the day. Congrats to LAB and Bobby V.

### PLAYERS RALLY IN DURAND FOR TOURNAMENT IN MEMORY OF SALLY WENDLING

Players came from far and wide to show their support for the Club Car Sweetheart tournament in memory of Sally Wendling (wife of Gene Wendling – President of the Michigan Shuffleboard Hall of Fame).

Tournament fund raising to be presented to Gene in honor of Sally Wendling was announced to be donated to the Michigan Shuffleboard Hall of Fame in Sally's name by Gene. Two events were scheduled in this tournament; an AB draw, and the annual Sweetheart Mixed Doubles event.

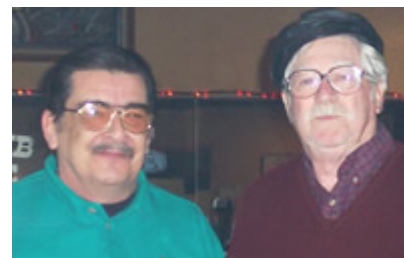

In the AB Draw on Saturday, teams competed in a four placement event. In first place, girl power of Linda Mitchell and Melinda Flynn surfaced in first place (sponsored by Chuck Ricklefs). Finishing in second place were Sonny Morgan and Harold Garian (sponsored by Jackie Meagher). Third place went to John Addington and Steve Jurik (sponsored by Linda Mitchell) and finishing in fourth place were Chris Lemieux and Slick Parrish (sponsored by Vic Matteson). During the presentation of prize monies, Chuck Ricklefs generously announced that he was donating his Calcutta portion to the Michigan Shuffleboard Hall of Fame in honor of Sally Wendling.

In Sunday's Sweetheart Mixed Doubles event, first place went to the double dipping team of hosts Bill and Brenda Kane (sponsored by Gene Wendling). Second place victors were Vic Matteson and Kathy Francisco (sponsored by themselves), and third place went to Steve Jurik and Melinda Flynn (sponsored by Gene Wendling).

A very special thanks to all of those who participated in the memorial tournament!

**Liz's Place**  
**February 11, 2006 St.**  
**Louis, MO**

The **11th Annual Sweetheart Tournament** was held recently in St. Louis, Missouri on February 11, 2006 at Liz's Place. The established tradition of this tournament was begun by our dearly departed friend, shuffleboard player and promoter, and Missouri Shuffleboard Association Hall Of Fame inductee, Bill "Thunder" Hill. This tournament has been organized and run by several local people since Bill's passing in December, 2003. This year it was my honor to carry on that tradition. This year also brought the inclusion of several newer shuffleboard players, both as couples and as teammates with some more seasoned players. We are grateful for their participation and encourage all those newer players to continue to play and hone their skills to make our local shuffleboard community a stronger and more vibrant community.

Taking Third Place in this year's tournament was the team of Mary Curtis and Wayne Cupp. After losing their first game in the opening round, Mary and Wayne climbed back up through the loser's bracket with steady and consistent play. In one of their final games in the loser's bracket Mary and Wayne defeated some strong competitors, Jill and Larry Romy, in a tight 15-14 game, assuring them to place in this tournament. They lost their next game, but still garnered their third place honors. Congratulations, Mary and Wayne.

Second Place honors went to the tough shooting team of Judy Lee and 'Super' Sam. They both remained in the winner's bracket to become the only other undefeated team of the tournament. After their first loss, they went on to defeat Mary and Wayne in the finals of the loser's bracket, but were no match for the remaining undefeated team. Their good play ended up rewarding them with their second place finish. Congratulations, Judy and Super Sam.

First Place Honors went to the fine shooting match-up of Rhonda Proffer and Chuck Muehlhauser. Rhonda and Chuck worked through the winner's bracket ending up as the only undefeated team of the tournament. Their good shooting and consistent play sealed their place as the champions of this tournament. Congratulations to Rhonda and Chuck for their First Place Honors.

I would like to thank a trio of Romays, Jerry & Lisa and Jill, along with Judy Lee for their help with tournament duties and for helping out with the food. Thank you all, your help was greatly appreciated and made this yet another fun and successful tournament.

1st Chuck Muehlhauser & Rhonda Proffer

2nd Super Sam Eveland & Judy Lee

3rd Mary Curtis & Wayne Cupp

## 9TH ANNUAL FRANK KANE MEMORIAL SHUFFLEBOARD TOURNAMENT ST. LOUIS, MISSOURI Submitted by Jack Murphy

The 9th Frank Kane Memorial Shuffleboard Tournament was held recently in St. Louis, Missouri on February 24 & 25, 2006 at Ulena's Sports Bar. This year brought the return of some out of town guests from Houston, MO and Arkansas. We would like to thank them for joining us and adding their spirit of camaraderie and competitiveness.

Taking Third Place was the team of Robert Kasza and Steve Nowack. Robert and Steve made it through to the last game of the Winner's bracket. They were then handed their first loss and moved into the final match in the loser's bracket. They again suffered a tough loss, but still were able to garner Third Place Honors. Congratulations to them both.

Second Place went to the tough shooting brother team of Jerry and Larry Roday. Jerry and Larry were handed an immediate upset in the first round of the tournament. They battled back up through the Loser's bracket and arose victorious. They then went on to get pay back for the team who ousted them out of the Winner's bracket in their first game. Jerry and Larry were then handed their second defeat, but still secured their Second Place Honors and our congratulations for their efforts.

Taking First Place was the team of Jim Dunn and Mike Simpson. Jim and Mike played well against some good competition through the opening rounds. When the dust had cleared they remained the only undefeated team in the Winner's bracket. In their final match they faced the team they had beat in their first game of the day. Jim and Mike produced another defeat of that team and secured the championship and the honor of remaining undefeated throughout the tournament. Congratulations to Jim and Mike for their First Place Honors.

Thanks again to our out of town friends for joining us. Also thanks to Steve Nowak for all his efforts in organizing and running the tournament. Thanks to Sanna Clark for hosting this event and her assistance with the food and to Larry Roday for the pictures. Hope to see you all again next year on February 23 & 24, 2007 for the 10th Annual Frank Kane Memorial Tournament.
