

In what I thought would be a late night, just flew by.80 some games, started at 11 am, done by 830 pm. Incredible job Seth and Mary, So we have the winners circle, Coming in first and with only 1-loss John Richards Team, also on the team was Margret, and Linda, 2nd place team with only 2 losses Mike Galliger-Don-and Barb. And this is two seconds in a row for Barb and rounding out in 3rd place Lesley Richards-Ellen-Linda. Wow husband and wife 1st and 3rd, not bad this is for the ones that played and didn't make it to the winner's circle, every one of you shot your hearts out, remember half of the teams were very close. I see a lot of 15-14 15-13 and 15-12 players that's great shooting. And me along with Mary and Seth, you made it exciting right to the end. And I want to tell you it was a nail bitter. Thank you all for letting me be a part of it today. Great host and bartenders. Take care everyone. And we need more of these tournaments it was fun and exciting to watch. - Mike Johnson
