

Friday night 10 teams participated in the A/B draw partner, single elimination event. Two teams finished with 2 wins and decided to split the difference given the iffy weather and lateness of the hour. This was Ann Harrell's first time EVER placing in the money since she started playing shuffleboard a year and a half ago.

Ten inches of snow and 25 mph winds held down the attendance to Saturday's doubles to 12 solid teams. Phil Heinzman's, Turnone Racing Collectables added \$200 to the entry fee to help make things interesting. Phil also placed cards on the end of each board and anyone lagging a 4 pulled that card for various amounts of money. Gary Neff was the only one to earn a card valued at \$20!

Thanks to the Legion for GREAT food and great hospitality
