If I remember right I met Cindy the first time she came to Vegas for the team event that won. I am not going to tell you how long ago that was but suffice it to say it has been about half our lives. To have watched the shuffleboard career of Cindy from player to promoter to director has been and should be inspiring to anyone who enjoys this sport. I congratulate you Cindy on a well deserved honor. You will always be my Cindy Crawford .

Congratulations, Cindy.  
My longtime friend of 40 years.  
Remember when we were partners in Reno, being behind 11 - 4, I split a 1 into 2-2's. Later, Cindy lags a 4 to win the match. I was so excited that I was jumping up and down. Cindy said, "You're going to knock it off!" Great memories of our 12-person league at MVP and Family Billiards. What a great time!  
Well deserved; welcome to the club, Cindy.

Congratulations to the vivacious Cindy Clark on her induction to the Arizona Shuffleboard Hall of Fame. She is not only a tough player but also a critical cog in the Arizona Shuffleboard community. She has helped organize, guide, advise and push both players and the Shuffleboard community in Arizona. She has also always supported the California Shuffleboard community and events we have. Thank you Cindy. Personally I always look forward to seeing her at events in California, Reno and Oregon. Never a dull moment. Once again, Cindy, congratulations on a well deserved and earned induction into the Arizona Shuffleboard Hall of Fame.

## Cindy's Journey...

Born to Ken and Martha Worden in Cincinnati, Ohio, our journey with Cindy Clark begins on July 2, 1954. She was the 1st of 3 children in the family. Eleven months later the 1st of her two brothers, Jeff, was born. 16 months after that her brother,

Randy, came along. As you can imagine, being so close in age, she and her 2 brothers were pretty close. In 1961, on the whim of her adventurous father, who looked to come out to the mountains of the western United States, the family packed up all belongings in a U-haul and drove a 1961 pink Rambler (with fins) and moved to Prescott, AZ. She and her brothers loved the area; building pine needle forts and hiking in the woods. This probably began Cindy's love for the outdoors. After a year there, in a not so lucrative position, Dad applied to the Phoenix Police department and they moved to Phoenix to begin his career in law enforcement. It was in Phoenix that Cindy attended the rest of grade school, junior high and Maryvale High School. Her parents enrolled her in dance class, where she did classical ballet, tap and jazz. She says she is not a natural, but

I've seen her kicking up her feet a few times! Maybe you have, too. Cindy also participated in several sports in her school years: Basketball, track, volleyball and softball. She will proudly tell you that she graduated High School in the top 10% of her class, was in National Honor Society, Parnassus and received an academic achievement award from The U of A! She explains, academic achievement doesn't necessarily equate to prestigious employment, since her career included working in dental offices for 10 years, pouring beer for a living, property management and finally, retiring as a letter carrier for the United States Postal Service.

Congratulations to Cindy. Since we've known her, she has always been helpful to new players, always organizing events to include them. And of course micro managing. Congrats Cindy.

Since moving to Arizona there has been one major player who is involved in every aspect of Arizona Shuffleboard. Cindy is more than deserving to be in the Arizona Shuffleboard Hall of Fame. Congratulations Cindy and I look forward to many more years of being around you and Shuffleboard. Again, Congratulations to you from both Judy and I. Love,

**Gary & Judy George**

Since playing in your first tournament, more than forty years ago, with me, you have put in the work and effort to become the accomplished player that you are today.

Those efforts put you in a position to succeed in league competition, and at the local, regional and national level in tournament play. In addition to your playing prowess, you have long been a great ambassador for our game. Congratulations on the well deserved honor of being inducted into the Arizona Shuffleboard Hall of Fame.

**John McDermott**

Congratulations Cindy, your induction is much deserved!

Congratulations Cindy on your Induction into the Arizona Shuffleboard Hall of Fame. I have enjoyed playing with you and against you, we have traveled and played together many times, my greatest memory with you was when we won the Arizona Doubles at Stingers in 2015. You are a great player, mentor, and a promoter of the game, and I'm proud to call you my friend. Again, Congratulations Ms. C C so very well deserved.

Your Friend,

Cindy has been involved in Arizona Shuffleboard for a long time. She organizes leagues and tournaments, and is a hell of a player. Arizona shuffleboard and the shuffleboard world in general owe a great deal of gratitude to Cindy. Shuffleboard would not be the same without her.

I have had the pleasure to know Cindy for many years. She is a high quality player and person. Most of all, Cindy is very deserving of the honor of being inducted into the Arizona Shuffleboard Hall of Fame.

Congratulations Cindy!

**Dan Mourgos**

**CA HOF Inductee**

What do you need to know about Cindy other than she's very caring, understanding, knows the game well, and works well with people. I'm the one that gave her the nickname "Cindy express" in Exeter California. Well, it was due to an ABC match; we got on a roll and went undefeated right straight through it. I kept saying here comes the express and it kind of stuck. So we named her "Cindy express." As for partnering up with her, you couldn't ask for a better partner, her knowledge of the game and her ability to share. That experience is unbelievable. She's very resourceful. I would partner up with her anytime. Cindy deserves this award. Congratulations Cindy

**Clint Miller**

In 1971, she married her high school sweetheart and had her one and only child, Michael Stephen Clark. He has grown into "absolutely the best man I know, despite all the trials and tribulations that come with being a young, divorced mother trying to put a roof over our heads, food on the table and having a social life". He gave her the best daughter-in-law,

EVER: Pacifica. Mike also gave her two grandchildren: Chelsey, 27 years old and Tristan, who is now 13! She will tell you that she has enjoyed them both through every stage of their lives. Chelsey makes beautiful children and has given her 3 great grands: Callie Rae, 6, Chandler, 4, and Cobie, 3! And Tristan is just a joyous (if not goofy) teenager who stills goes on adventures with gramma.

Always adventurous, Cindy enjoys going places! Hiking, travel, cemetery excursions, zip lines, national parks, excursions off the beaten path, even a sky diving adventure (with Tony Appell and Paul Obermiller) and especially loves Arizona's history. She loves the national parks where her journey included epic hikes at the Grand Canyon, Bryce, Zion, Capitol Reef, Yosemite, Yellowstone and The Grand Tetons.

In 1987, while working for her father at the Backroom Bar in west Phoenix, Cindy was introduced to Shuffleboard. Her father had Bob Lewis install a shuffleboard and she was told that since Dad ran the pool leagues, she would be responsible for the shuffleboard leagues. The very next evening Bob Lewis and Marilyn Roberts showed up and showed her a few things and gave her the information about the traveling league. A couple of the bar patrons had some experience with shuffleboard and so they formed a team. The very first night of league, their first opponents showed up to play. This team included a blind man and the captain told Cindy that he would have a spotter. Her team members were horrified that she would allow a spotter. "HE's BLIND!", Cindy said.

Maybe that was the beginning of her leadership role and sometimes controlling personality. And, so it began: five decades of a journey of experiences with the game. It was during this league play that Cindy began to meet and be mentored by the greats of AZ shuffleboard: Bob Lewis, Al Salazar, Bill Thomas, Bob Jacobsen, Wendell Herbison, Tony Appell, Bill Gibbs, Phil Gardner, Lary Tafoya, Dwayne Maxwell as well as the ladies of AZ Shuffleboard: Peggie (Richards) Skaggs, Alice Arredondo and Marilyn Roberts. She tells me she learned a lot: if not by instruction, by observation. Cindy quickly fell in love with the leagues, the tournaments and especially the people. It was the PCSA and the NASC that had bring team events, when she was asked to play, even with little experience; because you had to include two women. She was absolutely hooked! To be afforded the opportunity to be included on teams and travel and be successful early on. This appealed to her sense of adventure and competitiveness. A match made in heaven. Cindy had the fever! While compiling her list of accomplishments I was impressed with her finishes in team events as a captain or player, her doubles partners and success playing up a division or within her division and the arguably very impressive 5 time WWW finals appearances in singles. 3 of which she won and 2 where she finished 2nd. If you ask her about her shuffleboard career highlights, she brings up the 2 early amateur team events that propelled her keen interest level, her Div 2 doubles win with Wendell and her Div 1 2nd (Paul Parks), 4th (Phil Gardner) and 5th (Doug Hynes) all at the highly competitive NASC in Reno. She gives a lot of credit to her partners for memorable finishes: people like Joanne Healy-1st in Open Doubles in 2015 at the Tony Appell

Memorial and Dave Keithan for helping her to a 1st (split) at The Post in Austin where the competition was fierce! Being single since 1976, Cindy has really enjoyed the ability to travel with shuffleboard, knowing that she can go to different places and that she will be among those in the shuffleboard community.

Hall of Fame inductions say a lot about the player, the person, the respect they've gained from the players and the respect for which they play the game. I met Cindy back in 2017 in Stingers at their Presidents Day Tournament, we've had many conversations about the history of the game and the players that made the game what it is today. She genuinely cares about and loves the game, I share that passion because I met my wife playing shuffleboard some 28 years ago. Her enthusiasm to keep Arizona at the forefront of shuffleboard and keeping the players interested in the game has not gone unnoticed. Kudo's to you girl! The work she has put into running weekly tournaments, and keeping the Arizona HOF active is no small feat. Traveling and supporting the game when and where she can just shows the love she has for the game.

Arizona you've made an excellent choice inducting Cindy Clark into the State Hall of Fame. Proud for her and proud to know her. Enjoy your day, you've earned it!

Congratulations Cindy Clark, well deserved. As a player, you are a consistently tough player with staying power. As a promoter, your unflagging efforts to organize and run events in Arizona not only benefits the ever-growing (thanks to you) local group of players, but also the entire shuffleboard community with your tournaments that are attended by players far and wide.

**Louise Calamaro Williams**

Great job, big cheese! I am a person with few words. However, I do see how much hard work and love you put into the game. WELL DESERVED!!!

Cindy Clark – you are a rock star! You’ve promoted and supported Arizona shuffleboard to keep it alive, well, and thriving. Your work to get players promoted into both the Arizona and the National Hall of Fame is nothing short of amazing. And now, lets talk about your game. Your level of shuffleboard play just keeps getting better and better. You are my inspiration! Thanks for all the shuffleboard event memories, you make shuffling so much fun. I know shuffleboard will stay in your heart forever. Congratulations on your Arizona Shuffleboard Hall of Fame induction, well deserved.

Cindy (My Shuffleboard Wife)

Congratulations on being inducted into the Hall of Fame. It’s awesome and about time. Long before we were friends I watched you play and usually win. You’ve always been an awesome shuffleboard player, an awesome coach to your teammates & a hair connoisseur! The Hair Gods brought us together and I hope you know how much being your friend means to me. I hope we still play shuffleboard for many more years & we still have the Hair Gods in our corner! I can’t wait to share your Hall of Fame weekend with you. Love ya wifey!

**Judy Morphis**

Congratulations Cindy on your induction. We have known Cindy for many years now and we’re so pleased to have run into you after returning to AZ after 25 years! I appreciate you going that extra mile to reintroduce us to the game we’ve become so fond of again. Playing league and pickup games along with the tournament’s has been a lot of fun. You are a super talented shuffleboard player and your skills are exemplary.

**Harry and Kathy Ambrosat**

That lifestyle may change, because, 7 years ago, she found a “late life love” in Doug Hynes. They have moved out of the Phoenix area to the mountains and plan to build a “Shuffle Shack” where they can continue with the game that they both love. Maybe in a different way. Who knows? Along with the playing in tournaments, both national and local, and rising in the ratings, Cindy became involved as an original founder of the Arizona Shuffleboard Hall of Fame in 1998. Mickey Lewis was the catalyst and enlisted her to help form the organization. Along with 3 other co-founders, Al Salazar, Alice

Arredondo and Wendell Herbison, she says she is very proud to have been a constant part of the AZHOF for 25 years. “I feel we have honored those that have given so much: kept the field elite: produced quality product and created a fair process by which to honor excellence! We have created something to be carried on and there are others to be honored.” If anyone knows Cindy and her never ending energy: her journey with us is far from being fully written. During the last four HOF inductions, Cindy has been the driving force. And don’t think that she has backed off during her own induction and believe me it’s well appreciated. While documenting Cindy’s journey, she related something that’s quite true: as much as you think you know someone, there is way more beneath the surface to learn. I, for one, am glad she has shared all of these things with us. With her move to the mountains she is stepping back (a tiny bit), but is still quite involved and we can only hope through subtle (or not so subtle) nudges she will continue her journey in Arizona Shuffleboard.

I have often reminded myself why Cindy is being inducted, mostly because I truly value her friendship and I would just prefer to present her into the Hall of Fame as a friend, often forgetting she is being honored as a great promoter of the sport and as one of the top competitors from Arizona and across the nation. While wrapping up Cindy’s Journey I have realized that Cindy is definitely the closest “liberal” friend I have ever had. Some of the things I have learned about Cindy that you would never believe are the conservative strives she has made. She has definitely professed her love for Scoreholio, but agrees the other systems work just fine. I have come to find out that she watches Fox News every morning and lastly she truly believes in Sasquatch. As both a player and promoter, please join me in congratulating Cindy Clark as the ninth inductee to the Arizona Shuffleboard Hall of Fame.

## TESTIMONIALS

Congratulations Mom,

We are very proud of you! My mom has been dedicated to and passionate about shuffleboard for a long time. She has spent countless hours perfecting her game. It has brought a lot of joy to her life and we wanted to share that with her family and friends. You've earned and deserve this award! We love you, Mom!

**Michael, Pacifica, and Tristan Clark**

Cindy Clark is my grandmother, she was always someone I looked up to. She was always there for her family and there to help in any way she could. I always admired the big group of friends she had made playing shuffleboard. They truly seem like a family. Growing up I thought it was so cool that she got to travel so much going to tournaments. I hope one day I make friends like the ones she has and we can travel together. As a mom with 3 under 6 I will live vicariously through her till then! She truly is so honored and I don't know anyone who deserves this more than my grandma. Congratulations Grandma Cindy! We love you!

**Chelsea Bowman (Cindy's Granddaughter)**

Cindy came into my life at a time that I really didn't think I could ever find someone I could spend the rest of my life with, but the more time I spent with her I realize she was a kind, compassionate and caring person; something that is hard to find in this world! I came to the conclusion I needed her in my life! We both love shuffleboard, and that's when I found out; that kind, compassionate, caring woman turns into a fierce, competitive woman that doesn't like to lose! I found out the hard way after three \$100.00 games of which I did not win one single game... left her in the parking lot... and the rest is history the love story began! Even more than that I found that she has such a love for this game she spends hours and hours preparing booklets, leagues, as well as multiple tournaments! Cindy deserves this award and I am very proud that she has been inducted to the Arizona Hall of Fame. Congratulations Cynthia Jo Clark! Love, Doug

Congratulations Cindy! You are very much deserving of this recognition and induction into the Arizona Shuffleboard Hall of Fame. I've only known

you these last couple years but you are one of the biggest reasons I've got involved and competitive in this game. Not sure whether I should LOVE or HATE you for that! Haha. But seriously, you are extremely welcoming and encouraging to all players new and old. You help hold this group of crazies together. And you are one of the best and most competitive players in the state as well. Hope you enjoy your day as we shine the light back on you – CONGRATULATIONS!

**Jason Watton**

Cindy Clark is our chameleon of table shuffleboard. She is a woman of many colors. She also is a lady of many talents. She has played a big role in taking over the reins as president of the Arizona shuffleboard Hall of Fame and taking it to a higher level. For several decades she has supported and promoted Shuffleboard in the great state of Arizona. Becoming a competitor of the sport that we love so much, Cindy has been considered one of the top players in the state of Arizona for the past several years. It is a pleasure to say that she is a very good friend and to congratulate her on an award that is well-deserved. Congratulations Cindy! Your friend,

Cindy,  
Congratulations on being inducted into the Arizona Shuffleboard Hall of Fame. Well deserved! Thank you for setting the standard on and off the table. Thank you for all you do for the game. The long drives back and forth from up north, running tournaments, and putting up with Doug. Congratulations, Cindy! I'm proud to call you, "friend."  
Nailed it!

**Brandon Glasscock**

Congratulations, Cindy, on this well-deserved honor. Cindy has been in my life since I was 4 years old and has always shared a special bond and love with my dad. Tony thought the world of you and admired your many talents and skills. Your friendship meant the world to him. Cindy is a very special individual who adores her family and is an amazing grandmother.

Having witnessed Cindy's remarkable dedication and contributions to the world of shuffleboard firsthand, I believe she embodies the very essence of what this induction recognizes. Cindy is a force to be reckoned with on the board. Her mastery of technique combined with an uncanny ability to read the board and strategize shots has led her to claim countless victories on all levels.

Cindy understands that the joy of shuffleboard lies not just in individual accomplishments but in fostering a vibrant and inclusive community. She has taken it upon herself to mentor aspiring players, organize events for the shuffleboard community, promote sportsmanship and comradery that encourages a healthy competition, and celebrates everyone's triumphs.

In conclusion, Cindy is more than a skilled shuffleboard player. She is a passionate ambassador for the game. Her contributions transcend individual success and leave a lasting impact on the entire shuffleboard community. Congratulations again, Cindy. We love you!

We all have mentors when we are learning a sport. Mine is Miss Cindy. I would secretly watch her shots, stance and execution whenever I could. She was so supportive to me when I ventured out to run ASPA league or when I would run little tournaments. She is a doll and I love having her as my mentor! Thank you Miss Cindy!! Well deserved recognition!

#### **Debbie Howe**

Thanks to Cindy Clark for all she has done and still does for the game. I have learned a lot from Cindy and her advise has made me a better player.

#### **Helen Robertson**

It was the early 80's, I don't remember exactly when but Cindy was not in a good place in her life with her many responsibilities, her family and a thankless job managing a low income apartment complex... tough job, tough life, but the warrior that she is, she kept her family together and never complained and fortunately for us, she found a little time to play with us. I'm sure she never envisioned that she and Peggy Skaggs and Marilyn Robert's would be the face of Women's Shuffleboard in Arizona for many years to come. A couple of years later, Bob Lewis and I convinced them they were good enough to play with the best players of the era. Brenda Moore, Chris Danki, Diane Hagen, Bob Lewis and I had played them and knew they were great players and did very well in our first National Tournament here in Phoenix. We were all very proud of them. They all went on to play in many big tournaments. Cindy went on to distinguish herself as a player and a person. When you see Cindy Clark and Doug Hynes today, you know that the hard times for both of them are in the past. They are living the good life they so richly deserve. I'm very happy for them. Good things happen to good people. I cherish their friendship very much and I am so pleased that Cindy is getting the recognition she has earned as a great shuffleboard player and even better person. Congratulations Cindy. Your friend, Lary!

I am Cindy's "old" friend, both literally and figuratively. I was part of the early years of women in shuffleboard. You guys are so blessed to have Cindy Clark ensuring that Arizona Shuffleboard (including a love for the history of the game here) is alive and well and thriving! I am so impressed by her dedication to the sport and to each of you who participate. It is easy to overlook her commitment to the sport because she is Cindy and everything gets done. Please thank her and let her know what a great job she does. On top of that, she is hilariously funny! You are the best Cindy! I second that! Cindy Clark, you have kept shuffleboard going here. I think it would have died out if not for you. Thank you so much for your work, your dedication to the game, and your patience.

We love you, and miss you! Enjoy your part-time living in Greer; you lucky lady!

When we first obtained our AZ winter home 7 years ago we were quickly brought into the Arizona Shuffleboard family by Cindy. Over the following year's it became very apparent to us what a driving force she was for the betterment and improvement of the game and helping to bring the quality of Arizona Shuffleboard to the attention of the Shuffleboard nation. We heartily support her induction into the Arizona Shuffleboard HOF where she will join peers who's efforts she has strived to continue, ensuring the continuance of quality Shuffleboard competition not only in AZ, but at the national level.

Our sincerest congratulations to you Cindy on this newest milestone in your career.

Cindy,  
Congratulations on your induction to the AZHOF. Arizona shuffleboard would not be where it is without all the hard work and time that you have put into it. An honor well deserved.

We have known and been friends with Cindy for probably 40+ years. She took the initiative to become very involved in Arizona Shuffleboard and expanded the game with leagues for all levels of play. Congratulations Cindy on this award.

**Lu and Gil Aragon**

I'm very proud to say Cindy Clark is a very dear friend, a fierce competitor, a spirited promoter of the game of shuffleboard and extremely deserved of this award. To steal a comment from another dear friend Lary Tafoya she is definitely a persistent contender, plus she rocks the color purple.

**Nancy Salazar**

Congratulations to Cindy Clark on her well deserved induction into the Arizona Shuffleboard Hall of Fame. Cindy continues to keep Arizona Shuffleboard moving forward continuously hosting events and leagues well done Cindy!

**Lorraine Olson**

I first met Cindy in 1982 at the CBS bar in Phoenix. Even back then I could tell that Cindy was going to be a great player and mentor someday. She loved the game and fellow shuffleboard players. As I got to know Cindy better, we became good friends and shuffleboard travelers. But, the one trip to a WWW tournament that I remember well, was the one when I had a hard time walking. Cindy took care of me that whole trip. Another trip was to a California tournament. I became very sick. She drove me home without a second thought.

So, not only is Cindy a good player, promoter of the game, and a big hoot, she has a big, good heart. Thank you, Cindy, for being there for me, still today, and for the other family and friends in your life.

Congratulations for a well-deserved award as the 2024 Arizona Shuffleboard Hall of Fame inductee.

**Linda Meyer**  
**AZ HOF President**

Congratulations Cindy on being inducted into the Arizona Shuffleboard Hall of Fame. You have certainly earned this recognition as you are a great player, having played for a long time, plus promoting the sport, not to mention all the time you have devoted to running tournaments. I think I met you around 1989 and we have, over the years, played in several leagues, tournaments, NASC, and the WWW. I have always thought very highly of you and have respected your playing, your knowledge, and your coaching. I have some fun stories of when we played together and maybe I will bring them up at the ceremony (my favorite is, of course, the aromatherapy!). We have had many good times together (Diamondback games and the yearly Nutcracker Ballet with our grandkids just to name a few), and I cherish our friendship. Congratulations again, my friend!
