Obie Pierce - USTSL was welcomed, and happy to participate in the recent tournament held at Dustin's - "Indiana's Top Eight"

As of yet, USTSL is not a sanctioning or governing body. However, the paperwork is being drafted.

USTSL is committed to assisting tournament directors, venues, players, and long term marketing of Table Shuffleboard.

The gifts to the players valued at \$350+ were distributed according to the card each player drew- which also determined match ups for the event.

Bobby Voorhis (Single set, weight case)

Jody Shewbridge (Burrito/omelet maker)

Alonzo Cottrell (2 insulated cups)

Dave Shewbridge (\$25 Applebee's gift card)

Obie Pierce (Pizza Maker)

Dave Vorndran (George Foreman grill)

Rick Royal ("beats" earbuds)

Glenn Smith (Dual set weight case)

***In addition, each player received a USTSL silicone bracelet, worth \$35 @ 2017 SW Open, or \$40 @ 2017 NASC.

All they have to do is wear it the duration of the tournament they choose to attend.

Dustin went above and beyond expectations. A giant THANKS to the generous food and drinks that were contributed by all.

This was a very nice salute to Indiana shuffleboard!

Thank you Dustin, you're a great asset to the community.
