

The 2025 ninth annual JTC tournament was a huge success and enough thanks cannot be expressed to all the players from all over the country for your participation and support. JTC has become a fun party like family event with so many players returning year after year.

This year's defining moment was to see and watch the rising accomplishments of the next pro in the making, Mr. Matt Nunn. Talk about dominating Matt pulled off an amazing trifecta winning first place in AB draw division one, first place in pro singles, and first place in division one doubles. Also, it was a great win for our local guy James Sanchez who took first place in division one singles. James has been instrumental in the setting up of our tables from the very inception of the JTC tournament. Congratulations are in order for the both of you in recognition of your great tournament play. See attached photos for all players that won and placed in the tournament. Congrats to all.

Thank you, Jackie Corazza and your great staff for the wonderful food and beverage service topped off with an incredible free buffet for all attendees on Saturday. Kathy Yingst and Rob Kern worked tirelessly doing a great job of administering and running the tournament in a well-organized and timely manner. Special thanks to Kayla Blanchard and Jessica Sanchez for all the help you provide. Also special thanks to Donny Baxter, Heather Harris and Jason Papa for doing the brunt of the work in setting up the boards which played particularly well this year. Thanks, as well to Doug Queen and Kayla for your additional assistance. Of course, there was Mike Johnson our auctioneer who provided plenty of entertainment and did a great job of building those Calcutta pots. Behind the scenes and working for many months each year on the tournament deep appreciation is in order for Peggy Williams for all you do. Once again, a huge, thank you to all who attended. Soon the planning of the 10th annual Jimmy the Cop tournament will begin and we will look forward to seeing old friends and meeting new ones.
