

The Manitoba Championships 2005 was held in Winnipeg, Manitoba, Canada. All the winners will be the Manitoba representatives at the Canadian Championships being held in Victoria, BC in October 2005. This tournament ended up being a very unique year for the Manitoba Shuffleboard Association (MSA), with only four reps winning all events! These four individuals played superbly all weekend!

Raymond Gerardy was an outstanding individual winning all three of her events!

Thank-you,
Darrin Bauming
President Manitoba Shuffleboard Association
