

3rd Annual Cliff Visel's St. Patrick's Day

Held at:

The Post

601 W. Whitestone Blvd @ FM 1431
Cedar Park, Texas
Phone: (512) 258-2434

Another great St. Patrick's Day weekend was had by all! Attendance and sponsor support was great.

Many thanks go out to all the players that joined the competition and fun. Thanks to The Post staff and Ronnie McMellon (owner) for the great hospitality.

Thanks to all the locals and out-of-towners and tournament staff and to Holly Kofod for making the framed winner certificates.

Again, this year we had a \$5 registration fee which was donated to support the Bowers Rating System and their website maintenance and was greatly appreciated. If more tournaments would set even a small fee or portion of their one-time registration fee for support of the rating system, it works much better than having a piggy bank at the front desk to keep up with or to pass around during the tournament. It has worked well for two years now. 100% payout on entry fee and sponsor sale went back to the winners and sponsors; and the \$5 one-time registration went 100% to the Bowers. Ronnie McMellon provided the boards and a great facility to host the event.

There were two scheduled events: A/B Draw (\$20/player; no sponsor sale; 14 Teams/28 Players Registered) and Bring Partner (Add to 4; Plus Handicap; w/ sponsor sale; \$50/team; 24 Teams/48 Players Registered). Then there was a signup sheet for those who wanted to stay over and play an unscheduled "Singles" event on Sunday which also had a good turnout. (See Page next page for Registered Players List on both scheduled events).

*All Vying for that Pot of Gold...
"Bring Partner had \$5,260 total pot!"*
