## November 18-20, 2005 (Kelso, Washington)

The following pictures are from the "50 and Over" tournament held in Kelso, WA on Nov. 18-20, 2005. The winners were:

Above: (L-R) 1st Place: Ken Simmons & Jim Foran

Above: (L-R) 3rd Place: Clara Kenney & Gary George

We all had a fun time with our 50 & Over friends and are really looking forward to this event again next year. We also had fun with the camera (not just winners photos) and took some funny and candid photos that we wanted to share with everyone (See misc. photos below & photo collage on the next page).

**Notable:** We would like to let every one out there that Jim Foran was voted Washington Shuffleboard Sportsman for the year 2006. This is a very prestigious award and only one person a year will be honored. Jim hasn't decided what tournament that he would like to be honored at but that will be forth coming. We'll send a notice to Lynda French for communicating the details through the free Bowers-TSA Newsletters when the date/location of Jim Foran's "2006 Washington Shuffleboard Sportsman" award presentation is set and confirmed.
