Shuffleboard friends & family,

I would like to thank all you shufflers who made the 2nd Annual Pacific Northwest Shuffleboard Extravaganza held at the Little Creek Casino & Resort on May 21-26th a huge success. I also would like to thank all the people who offered their help to make it happen. Without

their help, it could not have been pulled off. There were 132 registered players (up from 117 last year) who played in some if not all 9 events held. I have to admit there were some concerns on my part about attendance, due to the current economic conditions of our great country. I truly hope that those conditions will get better for the 2009 tournament coming up. This is a must see and experience venue that we have at Little Creek Casino & Resort. I promise that you will hear all about it from the people that were there. I also promise that the tournament should be bigger and better for next year. For those of you, who have any suggestions to make the tournament better for all the players, please feel free to send me an e-mail at: OLYMPICSHUFF@COMCAST.NET

Sincerely, Vern Gonzales

Tournament
